

ECO FORTE

BOLLARD TO ANCHOR

Eco Forte bollard is made of square steel tube topped by 'spire' cover.

Fixing to the ground is offered with an extension for anchoring directly to the underlying ground or, in the version with base plate with fixing holes, via dowels (Code 1203132).

The bollard can be supplemented with the following accessories:

- side collars for affixing a steel chain;
- steel chain
- reflective adhesives for night-time visibility.
