

## ECO FARMACO “EASY”

### MEDICINE CONTAINER

Easy' Eco medicine is a specific container for the collection of expired medicines, designed and produced for completely safe use.

The container is made of pre-galvanised steel with a hammered concrete base, a guarantee of robustness.

Completely closed, with lock, it has a special opening for the deposit of expired medicines which does not allow removal of material already stored.

Easy to use, it has a handy side door in which the collection container is incorporated.
