

ECO MICRO VEEE FACILE

MICRO VEEE CONTAINER

'Easy' Micro WEEE Eco is a specific container for the collection of small disused WEEE, designed and produced for use in complete safety.

The container is in pre-galvanised steel with hammered concrete base, to guarantee robustness.

Completely closed, with lock, it has a special opening for the deposit of small WEEE which prevents removal of material already stored.

Easy to use, it has a handy side door in which the collection container is incorporated.
