

## ECO SAC HISTORY

### WASTE BIN

The pole-mounted ECO SAC waste bin is in robust galvanised steel plate painted in outdoor polyester powder to resist 'street stress'.

The History model has been developed for positioning in historic centres of towns with a design recalling the style of the early 20th century.

Supplied in antiqued micaceous iron grey.

The bin has a bracket for fixing to a wall or existing pole.

Can also be supplied directly with the steel tube pole.
