

LUISITO Junior

DISTRIBUTOR BAGS FOR CANINE EXCREMENT COLLECTION

Luisito Junior is an all-metal, rectangular distributor able to contain 400 canine excrement collection bags.

The article has a front hatch with window for removal of the bag, protected by a lock with triangular key.

The distributor is not very voluminous and easy to install anywhere, both on poles and walls.

Supplied complete with bracket, counter-bracket, U-bolts and screws for fixing.

Installation close to litter bins or other types of container is advised to facilitate the collection of the bag once used.
