

WALL SMOKE NO RAIN

WALL-MOUNTED ASHTRAY WITH CIGARETTE EXTINGUISHER

The WALL NO RAIN ashtray is designed for the extinguishing and collection of cigarette butts. To ensure solidity and resistance to atmospheric agents, it is entirely made of galvanized sheet metal and coated with polyester powder for outdoor use.

The container has a sleek plastic shape, minimally intrusive, equipped with four holes at the back for wall mounting, and two openings at the front for extinguishing and depositing cigarette butts, protected by dedicated grids.

Emptying is easy through the rear door, equipped with a specific key lock, and removal of the internal collection container.
